

Baseball College Showcase Events

- We will be hosting the showcase at Cypress Christian School off of Cypress North Houston. It will be on **Saturday November 12th from 9am-3pm for the 2012 class only**. Each kid will pay \$10. This is an opportunity for players to be exposed to college coaches and a chance to earn an athletic scholarship. Coach Kenworthy

- We are hosting **6 college baseball tryouts with an average of over 20 college baseball coaches in attendance** at each workout. I am trying to provide an opportunity for a high school player to workout in front of numerous college coaches. All college coaches are being paid to attend and are guaranteed to be in attendance. The workouts are not free but I try to keep the costs down as much as I can. The costs are less than \$10 per college coach in attendance.

- Sam Houston State Baseball will be holding a **team camp on Nov. 5th and 6th**. We will be hosting 6 area high school teams to compete in games, as well as receive instruction in all areas of the game from our coaching staff. When your team isn't playing a game, we will run the teams through many different team and individual drills. We feel this will be a great experience for your players as well as help build some team chemistry heading into the winter. We only have 2 spots left in this camp with some of the best teams in the greater Houston area already committing to participate in the camp. If you are interested please contact me ASAP. Dates: Nov. 5th and 6th, Cost: \$1200 per team (can bring as many players as you would like). Sean Allen, Assistant Baseball Coach Sam Houston State University 936-294-4653 office, 305-495-2409 cell
- Texas Christian University - I wanted to forward you information about our upcoming Fall Showcase and Holiday Camps happening this year at TCU. Attached is a camp brochure that can be printed and mailed in, or any interested athletes can visit www.tcubaseballcamps.com to get more information and to sign up. Please pass this on to any athletes you think would be interested in attending. We have signed a player out of our Showcase Camp every year since its inception and really use it to watch players that we would otherwise not be able to see. *Chuck Jeroloman*, Assistant Baseball Coach, TCU e-mail: c.jeroloman@tcu.edu, Cell: 561-951-2155, Office: 817-257-6962

- University of Houston - I wanted to pass along our 2011 Fall/Winter camp schedule to you so that you could let your teams know about them. We are having a showcase camp November 12th-13th where they will get a pro-style workout as well as games Saturday afternoon and all day Sunday, they will play in front of our staff as well as other schools (right now we have Sam Houston State) and scouts (Blue Jays, Twins, Pirates). In addition to our showcase camp we are having a winter skills camp, this camp is a great way for your players to improve their skills in the areas of hitting, fielding, pitching and catching. We all know the time after fall ball and before the spring season is a great time for guys to improve their skills so they come back ready for the season. All of our camp information is available online at www.cougarbaseballcamp.com. I appreciate your help and if we can help you at all please let me know. Ryan Sholtzberger, University of Houston Assistant Baseball Coach, 713-743-9457 office, 713-743-9488 fax, www.cougarbaseballcamp.com
- Elite Prospect - I am writing you about the Elite Prospect Camp (www.EXACTbaseball.com) taking place in Dallas in November. This program is designed for HS age players interested in developing into college capable players, mentally and on-field. College coaches from **University of Dallas, Oklahoma State University, Dallas Baptist University, Oral Roberts University, Seminole State College, McLennan College, Cisco College, Northwood University, Hill College, University of Arkansas-Pine Bluff, Stephen F. Austin University**, and other schools will be on the field with the players. This open-enrollment showcase-style camp is a tremendous opportunity for HS-age players. We will be conducting clinic sessions infused with mental training tools (see below for info about EXACT Sports), playing evaluated games, as well as leading 1 on 1 player meetings with college coaches and athletes, reviewing performance and identifying the best development fit for college. This is one of the better events for players as it helps bridge the development gap between high school & college baseball. Could you forward this email to your players? They can visit <http://EXACTbaseball.com>. Also, attached is a flyer that has all the specifics. Fraser Holmes

- Houston Baptist University - We are in the middle of our fall recruiting season and are continuing to build the program with quality players. We are now a fully certified D1 program and are playoff eligible. As we expand our radar screen on division 1 prospects, we have attended over 50 games and 5 all star events in the past 6 weeks. However, we still know there are quality players that need to be seen. Therefore, we are going to host another showcase camp this December for high school prospects. Our showcase camp is a great opportunity for you play in front of us as well as other college coaches. Please review the attached showcase flyer and set your schedule to attend. Last year we made over 10 scholarship offers to players in attendance of our camp and ended up signing 5. Furthermore, there were multiple scholarship offers and recruitment from the other college coaches toward the players that were at the showcase camp. Therefore, take advantage of this opportunity to be seen and evaluated and give yourself a chance at a college career. Russell Stockton, Asst.
